ASHWAGANDHA CAPSULES

COMPOSITION

Serving Size : 1-2 Capsules

Serving per container : 60 Capsules

Ashwagandha Ext. (<i>Withania somnifera</i>)	350 mg
Jatamansi (<i>Nardostachys jatamansi</i>)	100 mg

Description & Indications :

Ashwagandha is a nervine tonic of choice. It has hypotensive effects due to automatic ganglion blocking action, and also has a depressant action on the higher cerebral centers. It shows relaxant and antispasmodic effects against several spasmogens on the intestine, uterine, bronchial, tracheal, and vascular muscles. This activity shows in asthma and as a uterine sedative. Ashwagandha is also useful in inflammatory conditions. Also effective as an aphrodisiac.

Dosage :

1-2 Capsules twice a day or as directed by the physician.

KEY BENEFITS

Relieves Stress

Treats Insomnia

Reduces Fatigue

Improves Metabolism

Reduces Blood Sugar Levels

Reduces Inflammation

Acts as CNS sedative, control stress and anxiety, neurosis.

Treats cardio-vascular and renal hypertension, insomnia due to anxiety and stressful conditions, enuresis in children irritability and nervous tension.

Dosage :

1-2 Capsules twice a day or as directed by the physician.

KEY BENEFITS

Relieves Stress

Treats Insomnia

Reduce the risk of Cardiovascular

lower blood pressure levels

NATURAL SHILAJIT

COMPOSITION

Serving Size : 300-500 mg

Serving per container : 20 gm

Classical Ayurvedic Medicine

Natural Shilajit is an authentic trace mineral of the purest form of Shilajit. It is known for its various health benefits. Considered the most valuable source, this herb has 80 potent minerals. It comprises fulvic acid, humic acid, and amino components which have antibacterial and antiviral properties. It promotes the regeneration of cells and repairs damaged tissues and muscles.

Indications :

- Increases strength, stamina and metabolism
- Reduces fatigue and pain
- Helps in promoting healthy ageing
- Help increasing performance & vigour
- Drive essential nutrients to the brain
- Testosterone booster
- Enhanced fertility
- Help increasing performance & vigour
- Strengthens heart health

Dosage :

Take a spoon of Shilajit Resin (300-500mg) & dissolve it in 100ml hot milk for best results or can also be used in the same quantity of hot water, twice a day or as directed by the physician.

KEY BENEFITS

Improves Performance & Stamina

Promotes Healthy Ageing

Reduces Fatigue

Enhances Fertility

Testosterone Booster

Strengthens Heart Health
